Beeb must do more for the elderly

THE government says the BBC must "do more to support older people" after the announcement most over-75s won't get a free TV licence.

Culture Secretary Jeremy Wright said he was "very disappointed" the corporation had reached the decision.

But Labour deputy leader Tom Watson said the government had "breath-taking gall to blame the BBC for this mess".

The BBC said on Monday restricting free licences to over-75s who claim Pension Credit was "the fairest and best outcome".

Around 3.7 million OAPS are expected to lose out on the entitlement when the change comes into force in June 2020.

The decision comes four years after the government announced the BBC would take over the responsibility for providing free licences for over-75s by 2020 as part of the licence fee settlement.

At the same time, the BBC was allowed to increase the licence fee and make it obligatory to have a TV licence to use iPlayer.

Yesterday Mr Wright told the House of Commons: "The BBC can and should do more to support older people."

Wet June: Expect double the rain!

MORE than FOUR INCHES of rain is expected to fall on parts of Britain this week – DOUBLE the average for the whole of June.

On Monday, the South East was the worst hit as flooding in Kent closed all lines through Orpington railway station for several hours, while police shut a section of the M25 overnight after discovering two sinkholes on the central reservation.

The North East and the Midlands bore the brunt of the downpours yesterday.

LEADSOM: I LOVE

TORY leadership hopeful Andrea Leadsom says she's a fan of hit reality show *Love Island* – describing it as a "really entertaining" watch.

The ex-cabinet minister (left) said the ITV show was a "great programme" and that she had particularly enjoyed an episode in which the contestants were given dolls as part of a task.

She added: "I watched a clip of the one where they were talking about Brexit, and whether that meant you couldn't go on holiday any more in Europe, which I was slightly taken aback by."

"The one I really enjoyed was where they had those dolls that were supposed to

be their babies, and I thought that was quite amusing.

"Great programme, really entertaining."

Mrs Leadsom underscored her Brexiteer credentials yesterday warning that leaving the EU by October must be a 'hard red line'.

And launching her Tory leadership campaign, she also declared Theresa May's Withdrawal Agreement as dead.

She insisted the best option now was a 'managed' departure to ease the impact of leaving without a comprehensive deal.

The intervention comes as candidates struggle to make their mark in the race to succeed Mrs May as PM.

Commission lays into sex case Oxfam

OXFAM has been savaged by the Charity Commission for the way it dealt with claims of serious sexual misconduct by its staff in Haiti.

The commission said there was a "culture of poor behaviour" at the charity, and issued it an official warning over its "mismanagement".

Last year Oxfam was accused of covering up claims staff sexually exploited victims of the 2010 earthquake.

Oxfam accepted the findings, saying what happened in Haiti was "shameful".

Claims first emerged last year that Oxfam workers, including former country director Roland van Hauwermeiren (above), used young prostitutes while based in Haiti after the earthquake.

An internal Oxfam investigation in 2011 led to four people being sacked and three others resigning, including Mr Van Hauwermeiren.

But a report published by Oxfam after the investigation failed to mention any kind of sexual exploitation.

The new report found the charity failed to listen to warnings that it repeatedly fell below standards expected on safeguarding.

Growth beats expectations

WAGE growth beat market and economist expectations in the three months from February to April.

And wages rose by 3.4 percent compared with a year ago, official figures show.

The unemployment rate remained at 3.8%, and has not been lower since the October to December 1974 period, the Office for National Statistics said.

The employment rate for women was 72%, the highest on record.

This is after changes to the state pension age leading to fewer women retiring between the ages of 60 and 65.

Matt Hughes, from the ONS, said: "Women average three-quarters of men's weekly hours, compared with around two-thirds 25 years ago."

Tories fear Hunt name mix-up is big vote loser

By SUZIE SHELTON
news@sundaysport.co.uk

CONSERVATIVES have "written off" leadership contender Jeremy Hunt – because so many people call him Jeremy Ct!**

The 52-year-old Foreign Secretary joined nine other colleagues yesterday setting out their stalls to replace Theresa May as leader of the Tories – and therefore PM.

But senior colleagues have already written off Mr Hunt. One Tory insider said: "Everyone on the news makes this slip up where they call him Jeremy C**t."

"We've just had Theresa May, three years of having a laughing stock as PM. We can't

afford to have another PM with zero authority. And zero authority is what you have if you're called 'Jeremy C**t'.

"The Russians would take the piss mercilessly."

BBC presenter Victoria Derbyshire became the latest media figure to blunder by pronouncing the surname of Jeremy Hunt as "C**t".

She made the error during an exchange on her weekday

SLIP-UP: Victoria Derbyshire (above) and (right) Hunt

news and current affairs show during a four-way debate over the Tory leadership.

Derbyshire, 50, said she was especially embarrassed as it was usually men who made the mistake.

Addressing Tory MP Steve Brine, she said: "You say the man you are backing, Jeremy C**t... I'm so sorry... Jeremy Hunt."

"I've never said that before

GAFFES: (left to right) Randall, Naughtie, Harman and Marr

in my life. It's normally men who say that so I really, really want to apologise."

However, this is not the first time someone has slipped up pronouncing Mr Hunt's name.

James Naughtie made the error when Hunt was Culture Secretary, while Sky's Jeff Randall, Labour's Harriet Harman and TV political presenter Andrew Marr also made the same slip-up.

MONSTER OF WORCESTER RELEASED

A MAN jailed 46 years ago for murdering three children at their home before then impaling them on garden railings has been released from prison, the victims' mother has confirmed.

David McGreavy – dubbed the "Monster of Worcester" – was given a life sentence in 1973 for killing Samantha Ralph, Dawn and Paul before impaling their bodies on railings outside.

Paul was strangled, Dawn was found with her

throat cut and Samantha died from a fracture to the skull.

McGreavy (left), who was a family friend and lodger, claimed he killed them because the youngest would not stop crying.

Their mother Elsie Urry said she was informed of his release by Victim Support.

She said: "Yeah, I'm afraid so. He has been released, he's got a tag and he's got to obey certain rules they've given him."

POP star Justin Bieber once asked busty Brit babe Kelly Brook if she would do SQUATS in front of him at the gym.

The 39-year-old model has revealed she used to frequent the same gym as the *Sorry* hitmaker – now married to Hailey Baldwin.

And curvy Kelly says there was an occasion when he was determined to look out for her while she was lifting weights.

Kelly said: "It was only a little gym. He used to come in with his bodyguard.

"I never really saw him lifting that much, he used to always kind of be distracted by the girls in the gym.

Heavy

"He came over once and asked me and my girlfriend if he could spot us."

Spotting is being a weights buddy who acts as a safety net if someone attempts to lift something that turns out to be too heavy.

Kelly said that when she told him she didn't need any help, the 25-year-old singer spent his time in the gym "on his phone" instead.

Speaking on *Heart London Drivetime*, she said: "Basically, when we're lifting weights, we need a spot to make sure that we don't drop it and he's like there for us.

"He just wants to basically look at us doing squats.

"I said 'no Biebs, we're fine thank you'.

SPICE GIRL'S SEX TOY TREAT

MEL B is launching her own range of upscale SEX TOYS!

The singer, who recently refused to put a label on her sexuality – code for "she likes a bit of minge" – is reportedly set to add some spice back into our lives by launching a line of 'upmarket' sex toys.

A source revealed: "Melanie has had lots of chats with British ladies who have been bemoaning the range of sex toys.

"Mel's researched what's available. She's had talks about designs and a range – there will be a splash of leopard print."

HOMES Under The Hammer presenter Lucy Alexander raised temperatures when she revealed she loves eating Pringles – with her **MINCE** out!

Lucy, 48 (*above*) flew out to Portugal at the weekend and has been keeping her 62,000 social media followers up to date.

She revealed she'd stripped off after enjoying a day at the beach, before reaching for a tasty treat.

She posted: "That moment when you get in from the beach and eat Pringles naked on your hotel bed."

One fan, Steve Rice, commented: "If you need someone to hold your dips..."

And Sheppy added: "Don't get the crumbs anywhere that's uncomfortable!"

And Kerry Willner commented: "You will never be the same on homes under the hammer..."

Meanwhile, polite Lucy thanked her hosts, tweeting: "Thank you for arranging such a fun trip and the squishy sunloungers are more comfortable than my bed at home!"

A PAKISTAN International Airlines flight from Manchester to Islamabad was delayed after the emergency slide was deployed by a passenger bursting for a **DUMP**.

Just before departure, the passenger wanted to go to the bathroom but mistakenly thought the Boeing 777-340's outer door was the door for the plane's shithouse.

When she opened the door it automatically deployed the aircraft's emergency slide.

Twenty-one passengers had to be moved to other seats and 37 passengers couldn't continue their travel and were taken off the plane.

The airline was allowed to operate the flight but had to reduce and reseat passengers as the door wasn't available anymore in case of a possible emergency evacuation.

Students back strippers in club row

TWERKING CLASS

HEROES!

STUDENTS, strippers and student-strippers joined together to beg a council not to shut down a lap dancing club in their city.

Protestors marched on Sheffield Town Hall ahead of a council meeting where the Spearmint Rhino club's licence is being debated. And its strippers have won backing from students at Hallam University.

Gabby Willis, the women's representative for Sheffield Hallam Students' Union,

By **SIMON DEAN**

said ahead of the event: "It's going to be a really fun and empowering day despite the seriousness of what we're trying to achieve."

As it turned out, alas, heavy rain hit the protest and not many turned up.

Spearmint Rhino is under investigation by Sheffield City Council after a video secretly filmed inside the club by two ex-cops appeared to show strippers breaching their licence.

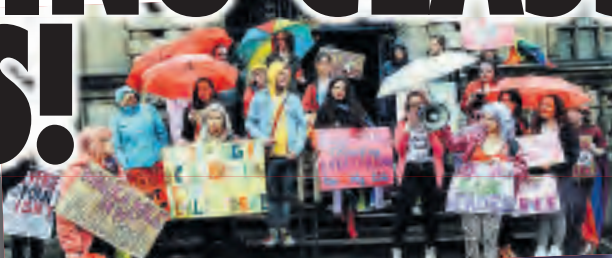

The details of the sex acts were revealed in a full council meeting by members of the so-called Women's Equality Party, in which a number of councillors walked out saying it was "too graphic".

A decision on whether to renew their licence was due yesterday but has been postponed due to the investigation.

It comes after strippers

recently spoke out about the abuse they face online, the impact of the precariousness of their job and how their licence has gradually become more strict.

Heather Watson, 23 – a student and stripper at the club – said: "Every year there is this feeling of 'maybe we're going to be shut down' but this year it's felt more likely."

Romanian caught nicking – 24hrs after UK arrival

A ROMANIAN immigrant has been jailed for 16 weeks after he was caught shoplifting – less than 24 hours after arriving in Britain.

Leonard-Valter Tudor, 20, was arrested after he tried to steal £508 of goods from a TK Maxx store in Nottingham.

The father-of-one tried to use a foil-lined bag to interfere with the signals of security tags on the items.

Nottingham Magistrates' Court heard Tudor arrived in Britain on a Friday, was arrested on Saturday and jailed on Monday.

Tudor was helped by a Romanian interpreter in court. He admitted theft of accessories worth £508 and having a foil-lined bag.

District Judge Leo Pyle sent him to a young offenders' institution for 16 weeks and ordered him to pay a £115 government surcharge.

He told Tudor (above): "The sentence should be a deterrent in your particular case."

Elton flick ban over sex scenes

THE tiny island state of Samoa has banned the blockbuster Elton John biopic *Rocketman* from cinemas over depictions of gay sex.

Leialataua Niuapu, the Principal Censor of the Pacific nation, confirmed the ban this week, saying the film contained too many scenes that were "not good for public viewing".

Niuapu said the movie "violates laws against same-sex marriage and does not go well with cultural and Christian beliefs here".

Samoa is a devoutly Christian nation where gay sex can lead to prison terms of up to seven years.

RIDDLE OVER AXED LOVE ISLAND HUNK

WAS MOBILE UP SHERIF'S RUSTY BADGE?

BOOTED OFF: Fans went into meltdown over news of star's shock departure

Really love that Tiger peek...

Love Island HQ (@TheLoveIslandHQ) on Twitter: "SHERIF: Sheriff has been kicked out the villa for smuggling a mobile phone in and was caught, unfortunately following Anna in Instagram."

RUMOURS that Love Island's Sheriff Lanre was booted out for sneaking a MOBILE PHONE into the villa sparked a frenzy of speculation last night.

And thousands of fans were asking: "Did he smuggle it into the villa, prison-style – up his BUMHOLE?"

Sherif issued an apology after being kicked off the show for breaking strict rules, just nine days after the latest ITV2 series began.

It was not clear which rules the chef, 20, broke specifically, but a spokesperson for the dating show confirmed his departure.

The spokesperson said: "After breaking the villa rules, Sherif had conversations with the producers and it was mutually agreed that he would leave the Love Island villa."

Apology

The star issued an immediate apology and said: "In a case of poor judgement, I broke the villa rules and as a result agreed with the producers that it was best for me to leave."

"I regret that I didn't conduct myself in the right way and, as a 20-year-old guy, it's something I know I will take on board and learn from."

"I really enjoyed my time in the villa and look forward to catching up with everyone on the outside."

By **SIMON DEAN**

news@sundaysport.co.uk

Soon after Sheriff's shock departure, the well-connected fan site *Love Island HQ* said it was a phone that had got him into trouble.

When news broke on Twitter, one fan said: "So, did Sherif smuggle the phone in up his ass, like they do in jail?"

Blow

Sherif's departure is a huge blow to pharmacist Anna Vakili, 28, who has been coupled up with him after the show started last Monday.

Sherif is the second Islander to be kicked off the show since it started this year.

Callum Macleod, 28, left the villa after five days when his partner Amber-Rose Gill, 21, dumped him in favour of Anton Danyluk, 24.

£20M COCAINE HAUL GANG BOSSES JAILED

TWO drugs gang bosses have been jailed after a covert police operation which led to the seizure of £20million worth of cocaine from a van on the M6.

The Warrington-based organised crime groups were led by drug dealers Jamie Simpson and Jamie Oldroyd.

Video from a police helicopter shows the moment Simpson was arrested on the M6 near Knutsford, Cheshire, on August 2 last year, after police vehicles

surrounded his Ford Transit in the fast lane.

Simpson, 31, was jailed for 11 years and six months for conspiracy to supply cocaine in April, but his sentence can only now be reported after restrictions were lifted.

Police said Simpson's dealing came to light as they carried out surveillance on the gang run by Oldroyd, 29, who was jailed in May for 14 years and three months for conspiracy to supply cocaine.

9 in 10 of C4 staff will say 'no' to Leeds

CHANNEL 4 has confirmed that around 90 per cent of its London workforce will seek redundancy rather than move to Leeds.

The broadcaster is shifting its base outside the capital, where it currently has around 800 people on the payroll.

Around 300 jobs are moving out of London, but the broadcaster expects up to 90% of the north-bound roles will not be taken up by current staff.

Leeds will become the new headquarters for Channel 4, with around 250 roles moving to the Yorkshire city and hubs also being established in Glasgow and Bristol.

Channel 4 expects to recruit heavily, with a large section of its workforce likely to refuse a move outside the M25.

The broadcaster has said it could create up to 3,000 jobs as a result of its move.

Bill for freedom of sex in the city

NEW YORK could become a sexual free-for-all – as lawmakers are mulling a law that would legalise hooking in the city.

The new Stop Violence in the Sex Trades Act would “decriminalise and decarcerate the sex trades in NY” as well as be “the first statewide bill decriminalising prostitution in the US,” tweeted DecrimNY, one of the advocacy groups behind the bill.

“The bill upholds laws concerning trafficking, rape (including statutory rape), assault, battery, and sexual harassment.

“It amends statutes so that consenting adults who trade sex, collaborate with or support sex working peers, or patronise adult sex workers are not criminalised,” DecrimNY added.

Stop giggling ...or I'll put your saddle back on!

By GRACE HOOPER news@sundaysport.co.uk

THOUSANDS of brave cyclists whipped their kit off and got on the saddle for World Naked Bike Ride.

In-the-buff bike enthusiasts descended on cities across the UK and around the world on the 16th outing of the event.

As well as providing an opportunity for cyclists to air their wares, the ride is carried out in protest of car culture.

The nakedness of the participants represents the vulnerability of push bikers. And it allows us to see LOADS of bums and fannies.

In the capital riders got their bums and bikes out on a warm day, with routes starting at eight locations across London.

In Cardiff, cyclists took off from Cardiff Uni and pedalled around the city centre.

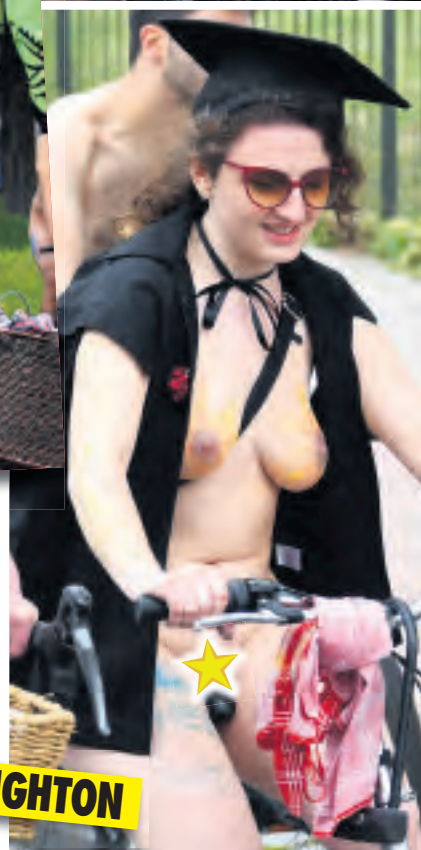

In Manchester, hundreds of riders took over the city's streets despite temperatures failing to creep higher than 14C.

One onlooker said: "There'll be plenty of saddle sniffing going on tonight!"

HACKERS TAKE A SHINE TO MR SHEEN'S GIRL

BOOBS OUT SHOCK: Lily-Mo with parents Kate and Michael

Evil web snoops leak pics

NOW that's not a Good Omen!

Just as actor Michael Sheen's new TV show is released, there's footage doing the rounds that will be a lot less warmly welcomed.

Because evil hackers claim to have violated his 20-year-old daughter Lily-Mo's cyber security and have posted what appears to be the beauty revealing her pert boobs.

Sniffing

The clip, which went live on a notorious hacker site earlier this week, shows a young woman – which the site insists is Lily-Mo – in a kitchen with a bowl of cereal.

She then lifts her sweatshirt to reveal her pert, braless boobs.

A pal said: "Lily will be horrified by the thought of someone rifling her iCloud."

"It's the electronic equivalent of

going into her laundry basket and sniffing her little white panties."

Lily-Mo is the daughter of Sheen, 50, and 45-year-old Hollywood beauty Kate Beckinsale.

Last week, Kate shared a hilarious email exchange with her daughter. Kate demanded: "Are you doing a lot of cocaine???"

Offended, Lily-Mo hit back, "Um...?? I'm doing 0 cocaine."

Clearly confused about the whole thing, when Lily-Mo didn't get a reply from Kate she questioned, "What is happening?? Hello??"

"I physically couldn't be doing less cocaine. U can't send me that and then go silent."

Finally Kate replied and explained she'd had a DREAM that her daughter was up to her snorter in Bolivian Gove.

Bald graveyard tosser hunted

The bald man, thought to be in his 50s, was spotted "stark naked" in Linthorpe Cemetery in Middlesbrough.

When he was aware he'd been seen, the bald tosser fled.

The dog walker said: "When he realised that he'd been spotted, he hurriedly threw on his loose-fitting trousers and a T-shirt and left the cemetery carrying a sizeable rucksack."

"I dialled 999 and, credit to Cleveland Police, they attended promptly, along with an ambulance crew who had heard the incident on their radio."

NUDE PICS CON NURSE AT IT AGAIN

GUILTY:

Sicko posed as fella and duped girls into sending X-rated snaps

By COLIN HURST

news@sundaysport.co.uk

A NURSE who conned women into sending her nude snaps struck again — weeks after being freed from jail for the same dating scam.

Adele Rennie, 28, tricked three new victims by posing as a man, after she was jailed in 2017 for the same caper.

One of Rennie's latest victims — a single mum — told how she was left terrified by the catfish scam.

The victim, 27, said she felt in "danger" and fled her home after being bombarded by calls and messages apparently from a lawyer called "Daniel Crolla".

Fooling

But the mum-of-two was horrified when a pal rumbled Rennie's past conviction of fooling women by a using voice-changing app to make her sound like a man.

Speaking after the sicko was nailed for a second time, the unnamed victim said: "I had no idea it was Adele Rennie who was behind it."

"This criminal lawyer called Dan was contacting me all the time but when I checked there was nobody under that name."

"I knew something wasn't right and I thought I was in danger."

The woman was contacted on dating app Tinder and Instagram by Rennie,

who was released 10 months into a 22-month sentence in October.

They shared flirty texts and calls where Rennie said her alter ego drove a black Jaguar and lived in Troon, Ayrshire.

But when the mum went to check out the pad with a pal, she discovered no flash motor outside.

She said: "I phoned the police and told them I was concerned because this person knew where I lived."

The victim revealed she got back in touch with her alleged love interest to "call his bluff".

She added: "I knew it was Adele because it was so similar. Police told me they were sure she would have followed me."

"It was the same officer who dealt with her the first time."

Flabbergasted

"He was flabbergasted and couldn't believe she would do it again."

Ex-nurse Rennie, of Kilmarnock, admitted tricking the mum of two and persuading her to send pictures and a video, at the town's sheriff court.

She also pleaded guilty to causing fear and alarm to a woman in Milngavie, near Glasgow, and another targeted in her past con.

Sentencing was deferred.

Naked man had wee shock for store staff

CONVENIENCE store staff were stunned when a man showed up naked — and had a piss against the glass door.

Horrified customers locked themselves inside.

The naked man then turned his attention to nearby cops on patrol.

Police said the suspect made rude gestures toward two officers, refusing their commands to stop urinating.

A third officer eventually went up behind him and tackled the suspect to the ground.

Officers finally got the upper hand after using mace on the man in Daytona Beach, Florida.

The suspect, who faces multiple charges, was taken to hospital for a medical evaluation.

MAN 'KEPT GIRL, 17, AS SEX SLAVE'

A MAN has been charged with keeping a 17-year-old girl as a sex slave.

Thomas Hill, 40, met the girl online in December and offered to help her get a job and a place to stay.

He says she lied and said her parents were planning to sell her.

Police said Hill sexually assaulted her, coercing her with physical violence, made her watch child pornography and took nude photos of her.

Hill (below) was arrested in Brandon, Florida, in February after a cop found the girl running down a street crying.

Local charges were dropped on Friday in lieu of federal charges, which can result in heavier penalties.

Hill was arrested again and charged with federal enticement of a minor and production of child pornography.

He told authorities he had travelled to Georgia to "rescue" the teenager.

Another photo shows a curvaceous RiRi throwing her head back while wearing stunning high heels, stockings and a gold metallic bra.

But Rihanna, 31, is not the only babe who looks amazing in hold-up stockings – the sort that show off ladies' thighs at their absolute best.

Poo do you think you are????!!!!!!

A WOMAN claims she saw a Spice Girl fan poo in her garden on the way to a gig.

She took to Facebook to say she had picture evidence after seeing a man leave his "toilet remains" near her home in Russell Gardens, Edinburgh.

Around 67,000 fans attended the concert at Murrayfield on Sunday and Police Scotland thanked fans for their behaviour on social media.

But one woman fumed online: "Thank you to the gentleman who unfortunately left his toilet remains in a housing estate in Russell Gardens on way through to the concert!"

"Your mother would be so proud ... Not.

"Plus some considerate soul used the garden path to vomit in on the way home from the concert so if u woke up this morning with what you thought was dog poo on your shoes... think again."

Crab scammers hunted by cops

POLICE are hunting two men who shoved **CRAB MEAT** down their trousers and left a food shop without paying.

The pair returned to the grocery store and returned one pack of the tinned fish – worth £15 each – for a refund.

Cops said the thieves returned two days later and did the same thing.

The men left the car park of the shop in Camp Hill, Philadelphia, in a white Ford truck.

STARTS TODAY...THE KILLERS EVENTUALLY

**He will
danger

lives...**

FORENSIC science is more important than ever in the world of crime-solving.

Traces of unidentified DNA or mystery fingerprints are now held indefinitely by investigators, hoping that one day they will prove to be the final piece of a jigsaw.

And it works, too – sometimes in breath-taking ways.

Today we start a new series looking at murders that, despite years and

sometimes decades to solve, the brilliant, painstaking work of police and forensics experts were able to finally lead the perpetrators to the prison cell.

Our first case centres on the World's End Murders, which went unsolved for more than 30 years until cops managed to finally crack the case.

They were committed by Angus Sinclair, thought to be Scotland's worst ever serial killer.

By JUSTIN DUNN

news@sundaysport.co.uk

jeopardy law – which stated that a person could not be tried for the same crime twice – before the killer was brought to justice for the two deaths.

But Glasgow-born painter and decorator Sinclair had killed before.

In 1961, at the age of 16, Sinclair was convicted of murdering his seven-year-old neighbour Catherine Reehill. He was sentenced to 10 years in prison and served six behind bars.

In 1978, he killed 17-year-old Mary Gallacher in Glasgow – but was not convicted of that crime until 2001.

Detectives also suspected he had murdered four more women in Glasgow in 1977 – but did not have enough evidence to charge him.

Sinclair grew up in the St George's Cross area of Glasgow. His obsession with sex was evident from an early age.

The teenage Sinclair had lured his first victim, Catherine Reehill, into

a stairwell before raping and strangling her.

The calculated manner in which he disposed of the body and tried to cover his tracks shocked police.

He even called the ambulance himself, telling the operator that "a wee girl has fallen down the stairs".

A psychiatrist's report from the time said: "I do not think that any form of psychotherapy is likely to benefit his condition and he will constitute a danger from now onwards.

Dumped

"He is obsessed by sex, and given the minimum of opportunity, he will repeat these offences."

Despite the dire warning, Sinclair served just six years. He was released in his early 20s, took up a trade, got married and had a son.

But in 1977 there was a spate of murders across central Scotland.

Six young women disappeared after nights out and were found dumped on deserted farmland or waste ground.

Two of those victims were the teenagers Helen and Christine.

The biggest manhunt in Scottish police history was launched. But it would initially lead nowhere.

At that time, police did not link the killings to another four murders which had happened in Glasgow within a few months of each other.

Frances Barker, 37, Hilda McAuley, 36, Agnes Cooney, 23, and Anna Kenny, 20, had been killed and dumped in strikingly similar circumstances.

All had been bound and gagged with items of their own clothing.

It would be a quarter of a century before police would realise the World's End and Glasgow murders were uniquely similar and might be linked.

About a year after World's End, 17-year-old Mary Gallacher was abducted in Glasgow, before being raped and murdered.

Like the others, a ligature had been involved and she died from a knife wound to her throat.

But this time, Sinclair had been

seen. There had been a witness to the abduction and police had come close to identifying a suspect.

This close shave, criminologists believe, was the signal for Sinclair to change his tactics. He needed easier targets, and so he began to prey on children.

Between 1978 and 1982, Sinclair would rape or indecently assault countless children across Glasgow.

He was finally caught in 1982 and pleaded guilty to 11 charges of rape and indecent assault, although he admitted his victims could have numbered in the hundreds.

He was sentenced to life in prison. It would be almost 20 years later, when he was being prepared for parole, that one of his old crimes came back to haunt him – the 1978 murder of Mary Gallacher.

A cold case review revealed that Sinclair's DNA had been on the victim,

and in 2001 he was found guilty of her murder.

Three years later, in 2004, cutting-edge science put Sinclair in the frame for the World's End murders.

His DNA, and that of his dead brother-in-law, Gordon Hamilton, was found on a semen stain taken from Helen Scott's coat.

Disaster

Scottish police had planned to charge Sinclair with all six 1977 murders but, shockingly, all the evidence from the unsolved Glasgow murders had been lost.

They also had the problem that someone was already in prison for the murder of Frances Barker – the first in the sequence from 1977 – and had been for almost 30 years.

Thomas Ross Young continued to plead

his innocence until his death in July 2014.

Sinclair was finally prosecuted for the World's End murders in 2007, but the long-awaited trial ended in disaster.

The case collapsed when the judge said the Crown had insufficient evidence to proceed.

But a change in the law on double jeopardy – the rule that meant a person could not be tried twice for the same crime – saw Sinclair become the first in Scotland to be given a second trial.

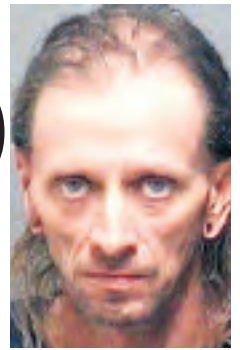

This time he was found guilty of the murders of the two teenagers and given a sentence that would have kept him in prison until he was 106.

Sadly, for those hoping he'd rot for a lot longer, he didn't make it. Sinclair died in March this year, aged 73, in HMP Glenochil in Alloa, Clackmannanshire, after suffering a series of strokes.

He still managed to leave behind a triple unsolved mystery, though.

No one has ever been charged with the murders of Agnes Cooney, Hilda McAuley and Anna Kenny.

EVIL PAEDO CAGED FOR 438 YEARS

I WAS WRONG: Leshner said he had been 'stupid'

'We're going to make sure he never breathes free air again'

A PAEDOPHILE who claimed his 14-year-old stepdaughter asked to join him and his wife in bed has been jailed for 438 years.

Michael Leshner, 54, was handed the huge sentence in court, with prosecutor Scott Anderson saying: "We're going to make sure he never breathes free air again."

Leshner, who also abused his biological daughter, was handed 99-year sentences for two counts of first-degree rape as well as two counts of first-degree sodomy.

By COLIN HURST
news@sundaysport.co.uk

His remaining time behind bars will be comprised of five, 10 and 20-year sentences for incest, first-degree sexual abuse and second-degree rape.

Willing

Leshner, of Falkville, Tennessee, had tried to claim his stepdaughter was to blame for the abuse he inflicted after walking in on him and wife Lisa, before asking to participate.

In a police interview played to jurors, he said: "She wasn't forced. She was a willing participant, I didn't make anybody do anything."

Leshner also claimed

that on one occasion the girl had grabbed his privates and performed a sex act on him.

He also alleged that she tried to blackmail him.

But the pervert later conceded he'd exploited the child, saying: "I was stupid, I did the wrong thing. I'm not trying to make it look like I'm the victim."

Lisa Leshner, 40, is awaiting trial after being charged with four counts of first-degree sodomy, two counts of first-degree rape, sexual torture, first-degree sexual abuse and second-degree sodomy.

LOVE CHEATS HAVE BETTER SEX...

OFFICIAL!

By GRACE HOOPER news@sundaysport.co.uk

LOVE cheats spend twice as long having sex with their illicit lover as their regular partner, according to a new survey

Sex for married couples lasts just 12 minutes – five minutes of foreplay followed by seven minutes of intercourse.

But sex for adulterers is twice as long on average at 24 minutes – 15 minutes of foreplay and nine minutes of intercourse.

Sex lasts longest for couples in new relationships – typically 30 minutes each session in the first year of dating.

Exciting

The results come from a survey of 2,000 people by IllicitEncounters.com, the UK's leading dating site for married people.

It found that 62% of married couples moaned about having 'Groundhog Day sex' – same time, place and position every time.

The time couples spend on a romp more than halves in the first two years of marriage – going down from

28 minutes in the first year after wedlock to the average of 12 minutes. Three-quarters of married couples (74%) admitted that their sex life was less exciting after they had been together for two years.

The vast majority of people having affairs (82%) start them because they are dissatisfied with sex at home.

IllicitEncounters.com spokeswoman Jessica Leoni said: "Sex gets boring when you have been married or in a relationship for a long time."

"It is like Groundhog Day. Too many couples stick to the same routine every time and just want to get it over with in the quickest time possible – which averages out at 12 minutes for most couples."

"Sex is more of an obligation rather than something to be enjoyed."

"Love cheats tend to spend longer on sex because the relationship is fresh and they are keen to impress their new lover."

"The duration of sex in an affair diminishes over time as well – but at that stage the couple are more likely to split up and seek a new partner."

Priest probed in 'consensual' confession sex

A FATHER Ted lookalike priest is under investigation for allegedly carrying on a sexual relationship with a woman from whom he received confession.

Laura Pontikes accused Monsignor Frank Rossi (above) of coercing her into a sexual relationship while continuing to absolve her sins in Houston, Texas.

She also accused Galveston-Houston Archbishop Daniel DiNardo – who's leading the Texas Catholic Church's response to the sexual abuse crisis in the US – of mishandling the case by allowing Rossi to stay in the ministry.

Rossi was removed from his parish after Pontikes' complaint but allowed to return to another diocese after completing "treatment".

The archdiocese has criticised news reports of the issue as biased and one-sided, and maintains that the relationship was consensual.

Police are now also investigating.

Fact me!

USING your non-dominant hand for mundane tasks – like eating or opening doors – for two weeks can improve your self-control.

Shop tosser is released

A MAN caught wanking in a clothes shop has been released on bail.

Cops claim John Miller Elliott, 47, entered the boutique on May 29 and approached a female shop assistant.

She said Elliott was carrying a jewellery box containing earrings and began telling her he was engaged to be married to his girlfriend.

He opened the jewellery box and began touching the earrings with one hand, while allegedly putting the other hand down his shorts and moving his hand.

The victim told him to leave and later told police she saw a wet patch on his shorts near his genital region and believed he had been masturbating.

He was arrested last week in Illawarra, New South Wales, Australia, and charged with carrying out a sex act with another person without consent.

MUM DRUGGED HER SON'S PAL – THEN SUCKED HIM OFF

London pub hosts nude sing-song

DRINKERS have gathered for London's first nudist pub sing-along at an under-threat boozier. The event at the Coach and Horses in Soho saw bare punters meet up to protest against Fuller's Brewery, which has taken the decision not to renew the pub's lease.

Led by pianist Luke Meredith, the crowd sang to *Bare Necessities* and *I Did It My Way* as current landlord Alastair Choat prepares to relinquish control of the pub on June 23.

Fuller's declined to extend the pub's lease despite opposition from Mr Choat, who received more than 15,000 signatures on a petition to keep control of the pub.

Mr Choat said: "When you're in times of real trouble you all strip off. This is a local community boozier and we're desperate to keep it that way."

HELD:
Sabrina
Padilla

A DIRTY mum is accused of performing oral sex on a 15-year-old pal of her son – after knocking him out with sleeping pills.

The Sheriff's Department in Wake County, North Carolina, said it started its investigation after the teenager told his parents about the incident.

A spokesman said the lad told his mum and dad he was visiting a friend's house near Wake Forest and had a headache.

He said the friend's mother, 39-year-old Sabrina Padilla, gave him medication he thought was ibuprofen.

He says he fell asleep and awoke to find her on top of him performing the sex act.

Investigators say Padilla admitted to performing oral sex on the boy.

Padilla remains in jail on a \$400,000 bond and charged with a statutory sex offence with a child.

A police source said:

"What's strange about this is she has offered no explanation as to her actions."

"She has never been in trouble before and there has never been any indication of this sort of behaviour."

Hungry

"Between you and me, it sounds like she was just hungry for hard, throbbing teen cock."

"But the youth is traumatised and he has to be our priority in a sensitive case like this."

Touching-cloth wings fan fined

A TEENAGE driver who was caught speeding at 106mph told police he'd eaten too much spicy food and was desperate for a SHIT.

The 16-year-old was pulled over in Manitoba, Canada, and told cops he'd eaten "too many hot wings and really needed the bathroom".

He was fined £690 for speeding and being behind the wheel without a supervising driver.

mad sh*t!

THE WORLD FAMOUS AGONY Page

SPILL the beans!

AGONY IS BROUGHT TO YOU IN ASSOCIATION

WELCOME to the World famous Sport Agony page! No other newspaper's agony aunts can offer the level of advice – or experience – than our own Agony Angels! This week BEXIE WILLIAMS has been reading through your letters. And here's her advice for you...

I'm in the doghouse since my toilet romp

Dear Bexie,

MY wife and I have been married for 22 years and we work for the same firm – which has turned out to be a disaster.

In the department where I'm usually based there are a couple of very attractive young female colleagues.

One of them is a horny thing in her mid-20s who has been married and divorced twice!

We normally go to the canteen together and she's always talking about the outrageous kinky sex she has with her latest fella.

She goes into graphic details of how he shags her and I often get a hard-on listening.

Me and the wife do have quite a healthy sex life despite being married for so long but she's not into anything out of the ordinary, whereas I'd like to try a bit of experimenting in bed every now and again.

One lunchtime me and this girl were chatting and she was telling me how her bloke took her doggy-style the night before.

She asked if I'd ever done it that way and I had to admit that, amazingly, I hadn't.

So she said: "Would you like to?" and I nodded eagerly.

With that she got up and told me to follow her to the ladies' loo.

I waited a while to make sure the coast was clear, and then I dashed in and she

dragged me into one of the cubicles. My dick was almost bursting out of the thin material of my trousers as she unzipped me and took it out.

I reached under her flimsy top and unfastened her bra to release her beautiful firm breasts.

Then I took a nipple between my lips and sucked as she caressed my knob.

She slipped off her knickers before bending over the loo with her gorgeous bum in the air.

Ram

"There you go," she said. "Ram it home as hard as you like."

I crouched down and in one thrust I was in – and it felt great.

She was moaning and groaning as I pumped away and I had a huge grin on my face as my balls slapped against her firm arse. I was in absolute heaven!

But then, just as I was about to lose

my wad, the door burst open – and who should be standing there with her hands on her hips – but the WIFE!

She slapped my face, glared at the girl then stomped off, leaving me with my dick going immediately limp and slipping out of the girl's wet fanny.

The wife hadn't spoken to me since that incident two weeks ago until this morning, when she told me she wanted a divorce.

But deep down I still want her and can't bear the thought of living without her.

What can I do?

CJ, East Midlands

Bexie says...

IT'S easy to say you should have thought of that before sticking your cock where you shouldn't, but all you can do now is throw yourself at her mercy. Buy her some treats – and see if she'll now try doggy-style!

Dear Bexie,

Sex, sex and more sex with amazing nympho is wearing me out!

Dear Bexie,

My girlfriend is amazing, in and out of bed, and I really love living with her.

But my problem with her is that she is a raving nymphomaniac and I am finding it very difficult keeping up with her sex drive.

I work hard at my job and when I get home late at night I'm usually pretty knackered.

But as soon as I walk in the door she's there in the front room lying naked on the rug exposing her moist, shaven fanny and with a daft grin on her face.

She won't even let me take my boots off before she's got my dick out – slobbering all over it and sucking on my swollen balls before straddling my length and riding me hard.

Shattered

It's the same story all evening – I don't even get a minute to have something to eat – until we go to bed at around 11pm.

And even then it's more sex until eventually, at something like 2am, she falls asleep and I finally get some peace.

But I have to be up again at 7am, so I'm always shattered. What can I do to satisfy her desire?

RT, Bristol

Bexie says...

WHAT the hell is wrong with you?! Most men would love your "problem". Man the fk up.**

I'M a 27-year-old builder. Last week I needed new boots so I called at a shoe shop where one of the female staff is really fit.

As I walked in, she was halfway up a ladder moving some boxes.

She's about 40 but the sight of her rounded arse at eye-level got me pretty aroused.

I couldn't help letting out a whistle, but the shock caused her to lose her balance.

Fortunately, I leapt over the counter and caught her. I said sorry and explained that her sexy bum had been a big turn-on.

Instead of being cross, she invited me to follow her into the storeroom.

Then she sank to her knees, unzipped my fly and sucked on my knob.

She was an expert and teased the tip with her hot tongue before taking the entire shaft into her throat.

The she slipped off her skirt and leaned back on some boxes, spreading her thighs.

Off came her panties and she slipped her middle finger into her love-tunnel.

So I thrust into her and f**ked her hard and long.

I'd love to go back and shag her again, but I can't afford to buy new boots every week.

What shall I do?

VJ, west Yorkshire

Bexie says...

SAY your first pair are pinching – then give her arse a pinch!

MIDWEEK Sport CLASSIC

CORALIE

By SIMON DEAN

simon@sundaysport.co.uk

FORGET wool and lamb – Coralie Eichholtz has to be New Zealand's BREAST export!

The curvy glamour girl was born in Christchurch in 1981 and soon became a smash when she moved to the UK and started out as a topless model in her early twenties.

She was soon linked to a string of famous blokes, including former *Take That* star Robbie Williams.

In 2006 it was reported in the now-defunct *News of the World* that she enjoyed a threesome with randy cricketer Shane Warne and fellow babe Emma Kearney.

Coralie revealed that the Aussie spinner had been "texting me like mad" and had even sent her one during a match.

Warne reportedly wore a pair of Playboy underpants and brandished a giant inflatable sex toy during the threesome romp.

Tussle

Coralie earlier made the gossip pages when it was reported she got in a tussle with Hollywood actress Cameron Diaz after the movie star accidentally tore her dress in a nightclub.

And she later threatened to steal Diaz's then-lover, Justin Timberlake.

Coralie is now called Coralie Robinson and has gone blonde.

SPECIAL OFFER: ANY 3 PRIVATE SHOPS DVDS FOR £25 (was £75)

IT'S finally time to say goodbye to the creepy Crawleys of Downton Abbey and hello to the horny hotties of buxom Bottomley Manor!

For all you red-blooded fellas who love your porn but are bored to tears by dull *Downton Abbey* this is your lucky day.

Released last week, the UK's most highly anticipated adult movie is available exclusively through the *Sport's* adult partner *Private Shops* and, for a limited time they're offering readers another £5 OFF the already low, low price.

Down On Abby is a big budget, full length adult masterpiece starring porn legend Ben Dover and a cast of the hottest adult stars around. It will transport you to Bottomley Manor, home to the Lord Grabhem (played by Ben Dover), his wife (and 2014 AVN nominee) Jasmine Jae, and their two young promiscuous step-daughters, Abby and Fanny.

The Grabhems have invited the Stiffies to dinner and their staff, led by butler Small*** and footman Master Bates, hurriedly prepare to receive their honoured guests.

But during preparations some members of staff have their own ideas of how to make the night go with a bang! As dinner approaches it seems everyone's got more than fancy nosh on their minds. Mind you, there is plenty of noshing as well as lots of other filth that will even cause a crease in Carson's keks.

We see plenty of R18 DVDs at the *Sport* but this one is really something special and one you MUST not miss!

This future classic stars Ava Dalush as Missy, Cathy Heaven as Lucy, Emma Leigh as Betty, Jasmine Jae as Lady Wanda Grabhem, Jasmine James as Fanny Grabhem, Jess West as Lady Stiffie, Lexi Lowe as Abby Grabhem, Ben Dover as Lord Will Grabhem, Big Bad Dave as Smithers and Clarke Kent as Master Bates.

#MY SEX FANTASY

...WITH
AVA LEWIS, 23
30F-25-35
FROM SLOUGH**'It's always so horny with two other girls in a steamy hot tub'****MY wildest fantasy is to have a hot threesome with two other girls.**

I love watching lesbian porn and have got off so many times thinking about it!

I particularly like girls with big boobies like me.

In my fantasy I'm with two sexy women in a hot tub. We'd be sitting there in our skimpy bikinis, supping champers and having a giggle while listening to some tunes.

We all get a little tipsy and someone suggests we play dares and it all gets a bit cheeky.

We take turns having a little snog with one another.

Then a sexy song comes on and, next thing you know, there's some playful groping going on in the warm water.

Licking

I always get horny in a steamy hot tub when I'm near naked, you're so relaxed.

Next the bikini tops would be off. I'm mesmerised by big bazookas, I could play with them all day!

Then we'd take it to the bedroom and get the baby oil out. I feel turned on just thinking of sliding my hands over the curves of a hot girl, never mind two!

I lie back and they both pleasure me. One girl is kissing me and licking my nipples and the other is using her tongue to flick over my clit - that's my ultimate turn-on!

We would try every position imaginable and end up collapsing in a sweaty and contented mess and curl up together for a snooze.

Perfect!

RAIN PAIN FOR GREEN AND GOLDS

THERE is rain forecast for today's 17th game of the World Cup between Australia and Pakistan at Taunton and the British weather has already had its say with Monday's intriguing clash between South Africa and West Indies the latest to be called off after eight overs.

India looked good when beating Australia at the Oval on Sunday in, arguably, the first game which involved two of the potential winners. India are 5/2 from 3/1 with BetVictor with England 2/1 and Australia out to 7/2 with New Zealand 7/1. The weather is due to pick up from Thursday and let's hope the weather does not play a part in the destination of the semi-final places.

Aaron Wan-Bissaka is into 4/6 with BetVictor to be a Manchester United player by the end of the summer transfer window amid reports Ole Gunnar Solskjaer is preparing a bid in the region of £50m. The right back position was a problem area at Old Trafford all last summer with Antonio Valencia injured for much of the campaign and the Ecuadorian was one of 15 players recently released by the club.

United are also odds on at 1/2 with BetVictor to sign Sporting Lisbon midfielder Bruno Fernandes although both Liverpool (4/1) and Manchester City (5s) could be stalking horses if the Portuguese playmaker decides to move on this summer.

Iconic

United are also reported to be preparing bids for Leicester City duo Harry Maguire – Evens with BetVictor to be at Old Trafford in September – and James Maddison 4/6. United will be keen to move on Alexis Sanchez, Paul Pogba and Romelu Lukaku although the enormous salaries they draw at Old Trafford may be a stumbling block. I am looking forward to the first time Sanchez or his representatives will be quoted as saying their player wants to stay at United and fight for his place. At £330,000 per week I'm not surprised!

The US Open starts at Pebble Beach on Thursday the sixth time the national championship of the United States has taken place at this most iconic and scenic course. The likelihood of strong winds and small greens make it a real challenge and five of the six US Open winners at Pebble Beach have been 'Hall of Famers' with Northern Ireland's Graeme McDowell – the last winner on Even par in 2010.

The other winners were Jack Nicklaus (1977) Lanny Wadkins (1977), Tom Watson (1982), Tom Kite (1992) and Tiger Woods whose winning score of -12 back in 2000 came at the height of his powers and is often considered his greatest ever performance in a Major.

Rory McIlroy is 8/1 favourite at BetVictor – each way 6 places – after winning the Canadian Open on Sunday when two late bogeys turned a final round 59 into 61. Whether he has the course management for Pebble Beach is debatable, however, and my two against the field are Patrick Cantlay 18/1 at BetVictor and Justin Rose 25/1. Tiger Woods is 12/1 with last month's PGA champ Brooks Koepka 9/1 and both will have backers.

IT'S WAN FOR THE MONEY: United want to buy Wan-Bissaka

Solskjaer starts £200m buy blitz

TRIO ONLY BEGINNING OF UNITED'S SUMMER DEALS

MANCHESTER United manager Ole Gunnar Solskjaer has £200m of deals in the pipeline this summer.

The Reds are resigned to losing Paul Pogba and Romelu Lukaku – but have already launched plans to re-invest in a new-look team.

Harry Maguire would be the most expensive with Leicester holding out for £80m to secure the services of their England centre-back.

And he could be joined in defence by Crystal Palace full-back Aaron Wan-Bissaka – if the money is right.

United want to pay around £40m for the highly-rated

By PAUL THOMAS

21-year-old but the Eagles want £60m.

The deal is likely to be done somewhere in the middle with Solskjaer desperate to replace the ageing Ashley Young down the flank.

After sorting out some of his problems in defence, Solskjaer will then cast a glance further up the pitch where his midfield looks modest – even before Pogba heads for Real Madrid.

United and City are likely to lock horns in the chase for Atletico Madrid middle man Rodri.

The 22-year-old has already broken into the Spanish

side and looks destined for the very top.

City and the Reds are both happy to pay his release clause of around £60m to do the deal this summer.

Pep Guardiola's men will clearly be a massive draw given the Spanish legend managing the side and Champions League football being on offer.

Central

Paris St Germain and Bayern Munich are also interested but the Premier League is his next likely destination.

That takes the tally to £200m on three players but most pundits believe the Reds will be short of another

central midfielder and a striker should Lukaku's move to Inter Milan come off this month.

United's owners would surely put their hand in their pocket for new signings because Lukaku and Pogba are likely to bring in enough to cover those three buys.

Solskjaer is looking for another speedy forward and former Red Wilfried Zaha is another Palace player he would like to talk about.

He would cost around £80m while Ivan Rakitic is another name being linked with Old Trafford in the Spanish press.

The 31-year-old would be a ready-made replacement for Ander Herrera who left on a free last month.

CHELSEA BACK FOR MOUR

Blues eye Jose for a THIRD go

JOSE Mourinho says he's just waiting for the call to be Chelsea manager for a third time.

The Portuguese has been linked with a shock move to Newcastle if the Toon is bought by a billionaire this month. But now it has emerged that he would be delighted to return to Stamford Bridge.

Current Chelsea gaffer is likely to join Juventus within the next couple of days, leaving a big vacancy at a club that can offer Champions League football.

By JOHN ANTHONY

The field for potential managers is a bit smaller than usual because the Blues may not be able to buy players this summer thanks to a transfer ban.

Time is tight to find a new man to take over and Mourinho more than knows the ropes — and could be less of a risk than an untried boss like Frank Lampard.

Jose is desperate for a return to work after being sacked by Manchester United before Christmas.

He first took over Chelsea in 2004 and led them to two Premier League titles before leaving three years late.

He came back for a second spell in 2013 and picked up another title before leaving soon after in contro-

versial circumstances. It was reported that the dressing room had turned against him and the then champions were struggling in the bottom half of the table.

Despite that, Mourinho would relish the chance to have a third go at the hotseat.

He would face a fight to win over the fans who have been instrumental in driving out Sarri despite him winning the Europa League and finishing third in the table — ahead of Tottenham, Arsenal and Manchester United.

Mourinho's tactics could be called more negative than the Italians — but he's more than capable of changing his tune to defy his critics.

He is still only 56 and has made it clear that he wants another major challenge.

Wonders

Lampard is still the odds-on favourite to be the next Bridge boss but Mourinho's odds have gone from 100-1 to single-figures.

The noise around him moving to Newcastle is growing stronger though and it's looks likely that last season's boss Rafa Benitez will not be returning to St James's Park.

That may not go down well with the Toon Army who idolise the Spaniard who has worked wonders to keep them in the Premier League on a small budget for a club with such a big fanbase.

But Mourinho is pointing to his close links with Newcastle legend Sir Bobby Robson who was his mentor at Barcelona.

He said: "I like to go there. I like the feeling of going to Mr Robson's home. I like that feeling."

"I like the stadium. I like the atmosphere. They are a good, enthusiastic crowd. I like the Geordies."

FAVOURITE: Lampard

SHOCK RETURN: Jose Mourinho

CHANCE: Gosden

Gosden's filly too classy for this lot

WINNING POST WITH BEN MORGAN

THE most interesting horse on Thursday is undoubtedly TERE BELLUM (NAP) who made an ultra impressive debut at Goodwood a few weeks back.

Judging her on that performance, John Gosden looks to have unearthed another star filly as she powered clear in taking fashion without showing many signs of greenness.

She raced wide all the way around and still finished clear of a next time out winner. I would say she is well above average and I expect her to take a lot of beating here.

Whenever Andrea Atzeni is booked for Alan King, it seems to pay to take note. The little Italian jumps aboard GROUP STAGE today at Newbury.

I am a massive fan of how King campaigns his younger horses and we have seen already with Aweedram among others, just how much they improve when they turn three.

Ability

This one could be very similar as his reappearance run behind a next time out winner was very encouraging. A 3lb hike looks harsh on the face of it but the step up in trip should suit and I expect him to take a big step forward.

Chris Gordon wouldn't have too many flat runners but JUMPING JACK looks to be one who harbours enough ability in order to win a flat race or two this summer.

His comeback run at Sandown was positive as he wasn't beat that far, and with that under his belt he should strip fitter and make his presence felt in a weaker race tomorrow.

I fancy Alan King to have a good day tomorrow as I also fancy his TRONADA who runs at Nottingham.

I tipped her last time on her return to action, but she bumped into one or two well handicapped fillies. The form of that race is expected to work out and as it was her comeback I can forgive her for a bit of rustiness.

As with most of King's string, the step up in trip should suit.

WE CAN BE COLE LOT BETTER

SEAMUS Coleman thinks top teams will bring the best out of Ireland after their stuttering win against Gibraltar.

Mick McCarthy's men picked up the three points to put them on top of Group D.

The Ireland skipper believes that playing stronger opposition will force the boys in green to up their game.

He said: "We know people came here expecting to see some goals — we would have loved that ourselves."

"It would have been great to score early and then get a

By ANDY MILLOM

second to put the game beyond them. We didn't do that.

"We understand that pressure comes with the job and people won't be very happy with the performance."

"But we've got 10 points from 12 and that's how we look at it as professionals. The manager is happy with our points on the board."

"We've got some big games coming up and that's where we'll be tested. We went to

Denmark and tried to play on the front foot.

"They played around us at times because they've got some quality, but I think sometimes it probably suits us playing against the bigger teams."

Tough

McCarthy is happy to have picked up 10 points from the first four fixtures but realises there are harder challenges to come.

Now they take on Switzerland and Denmark and a repeat of the two narrow wins against

Gibraltar would not be good enough.

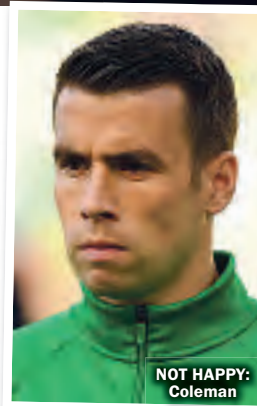

Coleman added: "We can only deal with what's in front of us on the pitch."

"We know we've got some very tough games coming up and they're going to be the deciding games."

"We've got a bit of a headstart."

"Hopefully we can perform well, play on the front foot and make it difficult for the Swiss."

"I don't think they'll want to play us either, so it'll be interesting in September."
